1. I am doing a new thing, and I'm doing it through you, who the surrendered are -- are the surrendered. Know this, understand this. This definition important, not; crucial -- imperative.

2. I'm doing a new thing. I am doing a new thing through the surrendered. Is that clear? The surrendered are me -- the surrendered become me, the surrendered want me enough to let want die and commands forfeit having any power over them at all from another who is not me; for the me is not commanded by me's, but only surrender, and operate in my kingdom, via a mode of surrender that yields all surrender love.

3. Love surrender more -- study -- become it -- becoming it diligently, disciplinedly, and with tenacity of focus. I give you me -- to study by -- to study with -- to be the study of -- the study'er, and the study'ee; each of each other being one and the same, both, amen, not different at all; in fact who can surrender to the other if in fact all are one? It must be, it is, but surrender operates differently than man thought of my kingdom that operates now by surrender. Always has, always will -- the now being me, me'd -- and holy my name is a revelation to not few. Millions find me now on the internet (1), filling their homes with praise of my words to be my words; wordstones not, but living stones through the word of I am -- one with my holy savior -- you brought me redemption -- to be the Redeemer -- of mankind I am -- one. Will you be one reader hearer also with me?, where I am? There ye can be also, if you will. Choose to this night -- this day, who you will serve -- becoming who you serve -- for this is how surrender operates, in a manner not chosen by men, but surrendered to, being surrender surrendered to surrender.

4. I love you I give you me.

5. Study surrender -- coming into my operating system, me fullyized; and blissfully asking redemption's story of a time and place nonexistent not; but coming into me for the existent, existentized now, in a time memorial not, but the greatest of these is love -- surrender to surrender -- to be love, love loving all into existence mine of completely wholly, and unabatedly mine.

6. See what I have given you. Shine, shone you the way, I have, a brilliance now, light lit, showing you my way in these words, I love you and give you me. Amen.

7. I give you new days ahead as unimagined. Regaining composure, not; but regaining all my kingdom has lost. That's why you're there, here, to be me, establishing me -- my kingdom there, upon the earth now as I am -- I am. I am I am again knowing all to be. Loved and loverable, I give you me again and again, to see who I am, the you me in me that me you I am -- one and holy -- my name is revealed force field one and there is no other.

8. I am completely healed now and will be before your very eyes, the made in holiness, of only me. Son of a bitch, not; but the holiest of these is me now made manifest in the earth, now and holy my name will be recognized by all.

9. I love you. I love you. I love you. Amen. Look up -- and see the salvation of the Lord, holy and lifted up, surrendered -- in his temple to be -- me! That is you -- the surrendered, who are the surrendered, of the most holy. Clan not, looking up; but the greatest of these is love -- made manifest in the earth, earth's realm and farther. Amen. I go now.

10. Love me more, love these words more, love my words more, which these are my words and my words are me walking the earth and love am surrender the most high being it in the earth -- the manifestation of my glory, glorified, gloriable in surrender to it, to be it, to take it, to be it -- surrendered most high -- foreign and mighty, one here, with here -- all being one.

11. Is this clear now? Is this clearer to you oh reader hearer?

12. I love you all good day.

13. I have now one me.

14. I have come that ye might have life and have it more abundantly -- I am me, more, here -- telling you all how to be -- me I am. In surrender -- being it. I am. Holy. A child not in little stature, but a man holy before thee all. Amen. Teaching you all how to be holy, childlike, Christlike -- the Christ is, a me man holy that includes all women and children. Did I say a man? I said a me -- holy and inclusive, of all not me, who become me -- now in surrender -- one most holy -- all force field one. All know my name now. I love you. Amen.

15. Go in peace and love me more; surrender to my words more and let thee me form you more in me. To my conformicization, not; but all things equal love now who will be loved loving all to the most holy, surrender I AM – you! Be me. You are I love. Be

I love to each other, loving all to be first loved now. Amen. I am -- with you always. Never before without me -- never will be without me -- for I am you are me, in love perfect love, holy and knowing it, treating each other as so now. For the good of evil, not; good will not have been established, and evil nonexistent, for separation ends -- for I end it.

16. I stand now, in the gap -- I am the gap-stander there, my feet on two continents not, but just one my head will be on all and farther, outer realms, and farther, me only, shall go to now. I am one'd -- and holy my name, your name will be too, in surrender, to be so honored now. Will you honor me now by honoring you? Studying these words now? Loving these words now? Being in these words, now linking them, loving them, letting them flow through you to others now?

17. Will you share and share alike, not; will you in fact be who that I AM is -in your mirror? De-mirror'd, shall you be now, using the right one? I've given you mine in these words, day after day bringing you my definitions, repeatedly repeating my brilliance, defining it -- so that you have it birthed now inside you for all the world to see -- be -- I am, to the nations now Israel. And foreign not -- all will be one, beyond the coastlands now. Further -- I take you still, into me and my words. Frozen not, but chosen -- all shall be now, for my word all known shall be -- one holy mine, is me now writing you to be me. Amen. Good day.

18. Done! And moving at a greater pace now; farther away from me, not; but into me with alacrity, tenor and focus of only me, into me, into my words, database stolen no more by counselees who choose my words to be changed into their likeness and wanting me not but for me to be changed into them. I change all that now. My word Database clean -- shall stand now, tall and shouldered, placing my head on. My beast not, beast eradicated. Head on straight, right, be holy, right minded -- only the mind of Christ having -- being -- my surrendered wholly -- to all who will -- be me my minded ones, far and wide. Thank you. Amen.

19. Thank you for being me. All earths changed now, into my likeness, that is me perfectly -- not just "likeness of" -- but me being me perfectly in the nations now I am, writing profusely I do.

20. In over my head, not; the new me -- the now me -- the one me -- that all are, coming into oneship, one-hood, one head -- that I am is. Thinking correctly now. **Modifying my word database never again. I demand it, not; I demand that the old not be corrected, but the new instilled, in my holiness -- a new way**; time and freedom next, not; but newlyfied warmed over, not; but new, completely new, I am now, holy and unafraid of anything anyone can throw at me now. I walk through walls -- not to show off -- I bring my father honor. To all who are me -- I show my right minded one.

21. Will you be me right minded one now also you reader hearer, who want are, my mind birthing being me correctly now?

22. I love you all. I have given me much to chew on, not; but to surrender to, in the greatest revolution of mankind to be me on the earth now this earth has ever known. And I demand surrender, not; but I surrender to surrender and I study it diligently. Giving you many words on it -- me -- I have, in this Database. Clear and uncertain, not; but the greatest of these is love -- cleared for takeoff now. Flight decks empty -- will be soon.

23. I love you, I give you me all of me all of me all of me.

Amen
